Comments:

no close links or conflicts of interest identified with any of the transaction venues
 only execute debt instruments with AJ Bell - volume is very low, no other venue has been set up to execute
 only reporting table 1 - MVAM have no professional clients and therefore have no need for table 2
 only reporting table 1 - MVAM do not execute securities financing transactions (SFTs) and therefore no need for table 3
 MVAM do not receive instructions to trade from clients, and hence do not have directed trades
 MVAM does not have data relating to 'passive' or 'aggressive' orders for 2017
 the quality of execution obtained is based upon cost and likelihood of execution - MVAM receive no payments or discounts, rebates or non-monetary benefit
 client categorisation does not affect order execution arrangements
 as all clients are retail, priority is always price and cost
